COMMENTS:

These are some of our standard glass types and there are many more.
Other requirements will be priced on application.
These prices are based on (FCL) full container loads.
You can mix four different types of glass in any one container.
The (MOQ) minimum order quantity is 48 pieces of any one type of glass.
All pricing is quoted in USD and full container loads of mixed products
We can manufacture shower screen to your requirements
Price for full container loads of one glass type on application
Each cut out add \$3.50USD powers points and shower doors
Holes for Balustrade \$2.00USD each
Glass splash highlighted on the price list 1-47 piece will also incur small cost for freight to the factory where it will be loaded and packaging
